POLICE.

A Crazy Man on the Slightest Provoca-S.C.TOOF & CO. tion. The police have had their optics peeled on a mysterious-looking individual the past three months. They have traced her and tracked her to first one and then another le cality of the city, but never being able to find anything upon which could be based a charge that would warrant an arrest. The mysterious woman as it can be done anywhere in came and went with such rapidity and con-ducted herself with such scrupulous regard for her lonely position that her going and coming ceased to attract attention. Yesterday morning, however, the neighborhood in which she resided was awakened with shricks which followed one after another in such rapid succession as to call together all who lived within the sound of the unfortunate woman's voice, The humble tenement in which she hved was crowded to overflowing with the rabble which are first always to be called together on such occasions, so that the intelligent peo ple of the community are unable to get near

enough to ascertain the cause of of the house, around which the great multitude had assembled, and speaking a few words in a low whisper, was allowed to enter the domicile. The crowd rapidly dispersed, one of the most enthusiastic complaining that the policeman had been eating onions. Further inquiry revealed the fact her husband a complete outfit at M. Fuld's
